The Committee has received the Request for Additional Information dated October 5, 2012, requesting additional information about increased receipts on the Amended 2010 12 Day Pre-General report and increased disbursement on the Amended 2010 30 Day Post-General report.

In both cases, the amendments were filed after a reconciliation of the Committee's FECFile database with its bank records. In conducting the reconciliation, the Committee discovered three discrepancies.

1. An October 1, 2010, contribution from Brian Simmons was reported as a \$1,000 contribution, rather than a \$10,000 contribution. This accounts for the \$9,000 increase in receipts on the Amended 12 Day Pre-General report.
2. An October 28, 2010, disbursement to XPS Media Services for media consulting in the amount of \$17,000 was omitted from the original report. This was one of 24 disbursements to XPS Media Services totaling \$1,009,554.33 in the month October.
3. An October 29, 2010, disbursement to Magellan Data and Mapping Strategies for targeting in the amount of \$450 was omitted from the original report.

Together, items 2 and 3 account for the \$17,450 increase in disbursements on the Amended 30 Day Post-General report.
